

Thank you for your interest in HANKServices

HOW DO I GET A TEEN TO DO CHORES AT MY HOUSE?

In order to provide the HANKServices teens and seniors with the best experience possible, as part of our compliance requirements to undergo a check against the Sexual Offender Registry, various internet and reference checks. Additionally, for the teen to work inside the home, a home assessment and interview will be conducted prior to being assigned a teen.

Please note, this application is not a guarantee of a match to a teen as it depends upon the availability of teens as well as your requested time.

HANKServices strives to complete applications as quickly as possible. As there are many moving parts to this application and we are working with volunteers, please try to get your application in as early as possible.

WHO DO I CONTACT WITH QUESTIONS?

Our team is happy to answer any questions or address any concerns that you may have.

Senior Application Manager info@hankservices.org

Call (516) 760-9884

Please Note. Outdoor work does not require a home visit, but the applications will be processed nonetheless.

HOW DO I SUBMIT MY APPLICATION?

Please complete and submit pages 2-4 of this packet to our office via mail. If you are unable to print the application, please call and leave a message and a volunteer will return your call.

Affirmation and Signature

Please realize we do our best to vet each teen that will be working with you. We recommend having the teen's parent(s) meet you initially to see what the work will be and if there will be payment to discuss the terms prior to the job. In the event the student is volunteering, the parent(s) still retains the option of meeting you to see where and what their child will be doing. We realize you may see this as an inconvenience, but we are sending a minor into your home and we need to allow for parental consent at each job.

Seniors are checked against the Sexual Offender Registry as well as various internet and reference checks.

I give my permission to process my application for HANKServices.
